# SUPER STAINLESS™

*"Making Stainless look Super"*

**Cleans rust and corrosion stains from polished marine 316 Stainless Steel**

## SIMPLY BRUSH ON - LEAVE - RINSE OFF

- Removes rust staining on marine 316 stainless steel

- Reverses surface corrosion on marine 316 stainless steel

- Gel formula stays where it's applied, simply brush on – leave for 30 minutes – and rinse with water/ sponge

- Passivates stainless to help prevent further corrosion.

- Safe for use on most surfaces, always test first.

- Reaches areas conventional paste cleaners fail to.

**BEFORE**

**BRUSH ON**

**LEAVE**

**RINSE OFF**

**AFTER**
